

Willow Class Newsletter Spring 2 2026

I hope you all had a lovely half term break!

Curriculum- please see the curriculum plan on our class page on the school website to explain what the children will be learning in this half-term. Our theme for this half-term will be 'Earth and Space'. We will also be learning about Easter, we will celebrate World Book Day and we have a whole school science enrichment day.

PE- this will continue be on a **Tuesday-** taught by Mr Green, the children will be using the climbing equipment and learning some gymnastics moves.

Phonics- this half term we will consolidate our learning and practise applying these sounds to our reading and spelling. Please keep looking back in the children's homework books to revise the previously taught sounds as it is important that they can retain these. The children will have a new reading book this Friday, please ensure it is returned on the Monday as usual.

Homework- please ensure children's green homework books are in their book bags on a Thursday so I can mark them and put the new sheet in ready to take home on a Friday. Just a reminder that I only look at these on a Thursday so please do not rush to do anything in them over the weekend, I would rather the weekend was used to read their book. Also please do continue to encourage the children to practice some writing on the right hand page (NO felt-tip pens please), we will continue to celebrate these in class.

Parent's evening- please ensure you book an appointment on Weds 11th March or Thursday 12th March via Arbor, **this opens on Mon 23rd Feb at 7pm.**

Please feel free to ask me any questions directly or send an email via the school office if there is anything you would like to know.

Kind regards, Mrs Sturgeon and the Willow Class Team.
